2. Resolutions 2 to 10: Election and Re-election of Directors

With regard to the retirement and re-election of Directors, the Company is governed by its Articles of Association, the UK Corporate Governance Code (the 'Code') and the Companies Act 2006 (the 'Act'). Directors have the power to appoint a director during the year, but any person so appointed must stand for election at the next Annual General Meeting. A retiring director is eligible to stand for re-election.

The Directors are fully committed to supporting the principles of good governance outlined in the Code. In accordance with the Code regarding the election and re-election of Directors, each Director will retire and, if appropriate, seek re-election on an annual basis.

Accordingly, save for Howard Paver, who is seeking election at this Annual General Meeting for the first time, all of the current Directors of the Company, each of whom were elected or re-elected at the Company's Annual General Meeting in 2018 and whose biographical details are set out on pages 44 and 45 of the 2018 Report and Accounts for the year ended 31 December 2018, are standing for re-election at this Annual General Meeting.

The Board has confirmed that, following a performance review, each Director standing for re-election continues to perform effectively and demonstrates commitment to the role.

3. Resolution 11: To reappoint the auditor

The Company is required to appoint the auditor at each General Meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting.

The Audit Committee has reviewed the effectiveness, independence and objectivity of the external auditor, Ernst & Young LLP, on behalf of the Board, which now proposes their reappointment as the auditor of the Company.

4. Resolution 12: To authorise the Directors to agree the auditor's remuneration

This resolution authorises the Directors, in accordance with standard practice, to negotiate and agree the remuneration of the auditor. In practice, the Audit Committee will consider and approve the audit fees on behalf of the Board.

5. Resolution 13: To approve the Directors' Remuneration Report (other than the part containing the Directors' Remuneration Policy)

In accordance with section 439 of the Act, resolution 13 seeks shareholder approval for the Directors' Remuneration Report (the 'Report') which gives details of the implementation of the Directors' Remuneration Policy, which was approved at the 2018 Annual General Meeting. The Report gives details of the payments and share awards made to Directors in connection with their performance and that of the Company during the year ended 31 December 2018, and can be found on pages 58 to 76 of the 2018 Report and Accounts. As this vote is an advisory vote, no entitlement of a Director to remuneration is conditional on it. This resolution is put annually as required by the Act.

6. Resolution 14: Authority for political donations and political expenditure

This resolution is designed to deal with rules on political donations and expenditure contained in Part 14 of the Act (sections 362 to 379). Under section 366 of the Act, the Company is required to seek shareholders' authority for any political donations and/or political expenditure made by the Company in the European Union.

Although the Company does not make, and does not intend to make, political donations to political parties, political organisations or independent election candidates, or to incur political expenditure, the legislation is very broadly drafted and may catch such activities as funding seminars or functions to which politicians are invited, or may extend to bodies concerned with policy review, law reform and representation of the business community that the Company and its subsidiaries might wish to support. Accordingly, the Directors have decided to seek shareholders' authority for political donations and political expenditure in case any of the Company's activities in its normal course of business are caught by the legislation.

The authority sought would be capped at \$80,000 for the next year. This authority will cover the period from the date resolution 14 is passed until the conclusion of the Annual General Meeting of the Company in 2020 or on 30 June 2020, whichever is the earlier (30 June 2020 being the last date by which the Company must hold an Annual General Meeting in 2020). As permitted under the Act, resolution 14 also covers any political donations made, or any political expenditure incurred by any subsidiaries of the Company. The Directors will continue to seek to renew their authority at each Annual General Meeting, in accordance with current best practice.

7. Resolution 15: Authority to allot shares

Your Directors may allot shares and grant rights to subscribe for, or convert any security into, shares only if authorised to do so by shareholders. The authorities granted at the last Annual General Meeting on 24 May 2018 and at the General Meeting held on 1 October 2018 are due to expire at this year's Annual General Meeting. Accordingly, resolution 15 will be proposed as an ordinary resolution to grant new authorities to allot shares and grant rights to subscribe for, or convert any security into, shares. If given, these authorities will expire at the conclusion of the Annual General Meeting of the Company in 2020 or on 30 June 2020, whichever is the earlier (30 June 2020 being the last date by which the Company must hold an Annual General Meeting in 2020).

This will allow Directors to allot Ordinary shares (a) up to a nominal amount of £28,237,278, representing approximately one third (33.33%) of the Company's existing issued Ordinary share capital calculated as at 16 April 2019 (being the latest practicable date prior to publication of this document); and (b) in connection with a rights issue, up to an aggregate nominal amount of £56,483,029 (as reduced by allotments under paragraph (a) of the resolution), representing (before any reduction) approximately two thirds (66.67%) of the Company's existing issued Ordinary share capital calculated as at 16 April 2019 (being the latest practicable date prior to publication of this document).

The Directors have no present intention of exercising this authority. However, if they do exercise the authority, the Directors intend to take note of relevant corporate governance guidelines in the use of such powers.

As at the date of this notice, the Company holds no treasury shares.

8. Resolution 16: Disapplication of pre-emption rights

Your Directors also require a power from shareholders to allot equity securities or sell treasury shares for cash and otherwise than to existing shareholders pro rata to their holdings. The powers granted at the last Annual General Meeting on 24 May 2018 and at the General Meeting held on 1 October 2018 are due to expire at this year's Annual General Meeting. Accordingly, resolution 16 will be proposed as a special resolution to grant such a power. Apart from offers or invitations in proportion to the respective number of shares held, the power will be limited to the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £4,236,015 (being 5% of the Company's issued Ordinary share capital at 16 April 2019, the latest practicable date prior to publication of this notice). If given, the power will expire at the conclusion of the Annual General Meeting of the Company in 2020 or on 30 June 2020, whichever is the earlier (30 June 2020 being the last date by which the Company must hold an Annual General Meeting in 2020).

Your Directors will have due regard to institutional guidelines in relation to any exercise of this power, in particular the requirement for advance consultation and explanation before making any non pre-emptive cash issue pursuant to this resolution which exceeds 7.5% of the Company's issued share capital in any rolling three-year period.

9. Resolution 17: Further disapplication of pre-emption rights

Your Directors are seeking a further power from shareholders to allot equity securities or sell treasury shares for cash otherwise than to existing shareholders pro rata to their holdings, to reflect the Pre-Emption Group 2015 Statement of Principles for the disapplication of pre-emption rights (the 'Statement of Principles'). Accordingly, resolution 17 will be proposed as a special resolution to grant such a power. The power will be limited to the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £4,236,015 (being 5% of the Company's issued Ordinary share capital at 16 April 2019, the latest practicable date prior to publication of this notice. This is in addition to the 5% referred to in resolution 16). If given, this power will expire at the conclusion of the Annual General Meeting of the Company in 2020 or on 30 June 2020, whichever is the earlier. Your Directors will have due regard to the Statement of Principles in relation to any exercise of this power and in particular they confirm that they intend to use this power only in connection with a transaction which they have determined to be an acquisition or other capital investment (of a kind contemplated by the Statement of Principles most recently published prior to the date of this notice) which is announced contemporaneously with the announcement of the issue, or which has taken place in the preceding six month period and is disclosed in the announcement of the issue.

10. Resolution 18: Authority to purchase own shares

This resolution will give the Company authority to purchase its own shares in the market up to a limit of 10% of its issued Ordinary share capital. The maximum and minimum prices are stated in the notice of meeting that follows. Your Directors believe that it is advantageous for the Company to have this flexibility to make market purchases of its own shares. Your Directors will exercise this authority only if they are satisfied that a purchase would result in an increase in expected earnings per share and would be in the interests of shareholders generally.

In the event that shares are purchased, they would either be cancelled (and the number of shares in issue would be reduced accordingly) or, in accordance with the Act, be retained as treasury shares. The Company may consider holding repurchased shares pursuant to the authority conferred by this resolution as treasury shares. This would give the Company the ability to transfer treasury shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base.

Recommendation

Your Directors believe that all the proposed resolutions are in the best interests of the Company and its shareholders as a whole. Accordingly, your Directors unanimously recommend that you vote in favour of them as they intend to do in respect of their own beneficial holdings.

Poll voting

Each of the resolutions to be considered at the Annual General Meeting will be voted on by way of a poll. This ensures that shareholders who are not able to attend the Annual General Meeting, but who have appointed proxies, have their votes fully taken into account. Any Directors who have been appointed as proxies will cast those votes as directed by the person who appointed them. The results of the polls will be announced to the London Stock Exchange and published on the Company's website as soon as possible after the conclusion of the Annual General Meeting.

Registered Office: Cunard House, 5th Floor, 15 Regent Street, London SW1Y 4LR
Registered in England and Wales No. 07140891

NOTES:

The following notes explain your general rights as a shareholder and your right to attend and vote at this Meeting, or to appoint someone else to vote on your behalf.

1. To be entitled to attend and vote at the Meeting (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the Register of Members of the Company at close of trading on 21 May 2019. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
2. Shareholders, or their proxies, intending to attend the Meeting in person are requested, if possible, to arrive at the Meeting venue at least 20 minutes prior to the commencement of the Meeting at 2.00 p.m. (UK time) on Thursday 23 May 2019 so that their shareholding may be checked against the Company's Register of Members and attendances recorded.
3. Shareholders are entitled to appoint another person as a proxy to exercise all or part of their rights to attend and to speak and vote on their behalf at the Meeting. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different Ordinary share or Ordinary shares held by that shareholder. A proxy need not be a shareholder of the Company.
4. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.
6. You can vote either:
 - by logging on to www.signalshares.com and following the instructions;
 - you may request a hard copy form of proxy directly from the registrars, Link Asset Services on Tel: 0371 664 0300. Calls cost 12p per minute plus your phone company's access charge. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales; or
 - in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.

In order for a proxy appointment to be valid a form of proxy must be completed. In each case the form of proxy must be received by Link Asset Services at PXS1, 34 Beckenham Road, Beckenham, Kent, BR3 4ZF by 2.00 p.m. on Tuesday 21 May 2019.

7. If you return more than one proxy appointment, either by paper or electronic communication, the appointment received last by the Registrar before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
8. The return of a completed form of proxy, electronic filing or any CREST Proxy Instruction (as described in note 11 below) will not prevent a shareholder from attending the Meeting and voting in person if he/she wishes to do so.
9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting (and any adjournment of the Meeting) by using the procedures described in the CREST Manual (available from www.euroclear.com/site/public/EUI). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (ID RA10) by 2.00 p.m., Tuesday 21 May 2019. For this purpose, the time of receipt will be taken to mean the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
12. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that no more than one corporate representative exercises powers in relation to the same shares.

13. As at 16 April 2019 (being the latest practicable business day prior to the publication of this Notice), the Company's Ordinary issued share capital consists of 1,694,406,148 Ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 16 April 2019 are 1,694,406,148.
14. Under Section 527 of the Companies Act 2006, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's financial statements (including the Auditor's Report and the conduct of the audit) that are to be laid before the Meeting; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual financial statements and reports were laid in accordance with Section 437 of the Companies Act 2006 (in each case) that the shareholders propose to raise at the relevant meeting. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Meeting for the relevant financial year includes any statement that the Company has been required under Section 527 of the Companies Act 2006 to publish on a website.
15. Any shareholder attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.
16. Copies of the Directors' letters of appointment or service contracts are available for inspection during normal business hours at the registered office of the Company on any business day from the date of this Notice until the time of the Meeting and may also be inspected at the Meeting venue, as specified in this Notice, from 1.00 p.m. on the day of the Meeting until the conclusion of the Meeting.
17. You may not use any electronic address (within the meaning of Section 333(4) of the Companies Act 2006) provided in either this Notice or any related documents to communicate with the Company for any purposes other than those expressly stated.

A copy of this Notice, and other information required by Section 311A of the Companies Act 2006, can be found on the Company's website at www.enquest.com.
