Further to the announcement earlier today (the "**Capital Raising Announcement**"), EnQuest PLC ("**EnQuest**", or the "**Company**") is pleased to announce the completion of the Bookbuild for the Firm Placing and Placing.

Defined terms in this announcement shall have the meaning given to them in the Capital Raising Announcement unless otherwise specified.

Pursuant to the Firm Placing and Placing and Open Offer, a total of 190,122,384 New Ordinary Shares will be issued at the Offer Price of 19 pence per New Share (subject to the conditions noted below), raising gross proceeds of £36.1 million (\$50 million).

The New Ordinary Shares will rank *pari passu* in all other respects with the Ordinary Shares currently in issue.

Result of the Firm Placing and the Placing

94,852,612 New Ordinary Shares ("**Firm Placed Shares**") have been placed under the Firm Placing. 95,269,772 New Ordinary Shares ("**Placing Shares**") have been placed under the Placing, subject to clawback to satisfy valid applications by Qualifying Shareholders under the terms of the Open Offer. The Firm Placed Shares are not subject to clawback and are not part of the Placing and Open Offer.

Open Offer

The Open Offer will open on 1 July 2021 with Qualifying Shareholders having an Open Offer Entitlement of 5 Open Offer Shares for every 89 Existing Ordinary Shares registered in the name of the relevant Qualifying Shareholder on the Record Date (and so in proportion to any other Existing Ordinary Shares then held) on the terms and subject to the conditions set out in the Prospectus (and in the case of Qualifying Non-CREST Shareholders, the Application Form will be despatched to shareholders). The Open Offer is expected to close at 11:00 a.m. on 22 July 2021.

Further details on the Open Offer will be included in the Prospectus.

General Meeting

The Capital Raising is conditional upon, amongst other things, Shareholder approval of certain Resolutions at the General Meeting of the Company which is expected to take place at Ashurst LLP, London Fruit & Wool Exchange, 1 Duval Square, London E1 6PW at 9.30 a.m. on 23 July 2021; and on the Sponsor and Placing Agreement becoming, or being declared, unconditional in all respects.

In response to the coronavirus ("**COVID-19**") pandemic, the UK Government has introduced a number of measures in England aimed at controlling the spread of the COVID-19 virus. The board of directors of the Company has been closely monitoring the ongoing COVID-19 situation and, on the basis of the UK government's roadmap out of lockdown, the General Meeting has been arranged on the assumption that the General Meeting will be able to be held as an open, physical meeting. If the position changes, the Company will communicate any updates on its website at <https://www.enquest.com/investors/shareholder-information/general-meetings> and, where appropriate, through an announcement to the market, before the General Meeting.

Information to Distributors

Solely for the purposes of the product governance requirements contained within of Chapter 3 of the FCA Handbook Production Intervention and Product Governance Sourcebook (the "**UK Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK Product Governance Requirements) may otherwise have with respect thereto, the New Ordinary Shares have been subject to a product approval process, which has determined that such securities are: (i) compatible with an end target market of investors who meet the criteria of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in paragraph 3 of the FCA Handbook Conduct of Business Sourcebook; and (ii) eligible for distribution through all distribution channels (the "**Target Market Assessment**"). Notwithstanding the Target Market Assessment, distributors (for the purposes of UK Product Governance Requirements) should note that: (a) the price of the New Ordinary Shares may decline and investors could lose all or part of their investment; (b) the New Ordinary Shares offer no guaranteed income and no capital protection; and (c) an investment in the New Ordinary Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Capital Raising. Furthermore, it is noted that, notwithstanding the Target Market Assessment, J.P. Morgan Cazenove will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapter 9A or 10A respectively of the FCA Handbook Conduct of Business Sourcebook; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the New Ordinary Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the New Ordinary Shares and determining appropriate distribution channels.
