Resolution 10: To reappoint the auditor

The Company is required to appoint an auditor at each general meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting.

The Audit Committee has reviewed the effectiveness, independence and objectivity of the external auditor, Deloitte LLP, on behalf of the Board, and recommends its continued appointment. Therefore, the Board now proposes Deloitte LLP's reappointment as the auditor of the Company.

Resolution 11: To authorise the Audit Committee on behalf of the Board to agree the auditor's remuneration

This resolution authorises the Audit Committee, in accordance with standard practice, to negotiate and agree the remuneration of the auditor on behalf of the Board.

Resolution 12: To approve the Directors' Remuneration Report (other than the part containing the Directors' Remuneration Policy)

In accordance with section 439 of the Act, resolution 12 seeks shareholder approval for the Directors' Remuneration Report (the 'Report') which gives details of the implementation of the Directors' Remuneration Policy, which was approved at the 2024 Annual General Meeting. The Report gives details of the payments and share awards made to Directors in connection with their performance and that of the Company during the year ended 31 December 2024 and can be found on pages 106 to 117 of the 2024 Report and Accounts. As this vote is an advisory vote, no entitlement of a Director to remuneration is conditional upon it. This resolution is put annually as required by the Act.

Resolution 13: Authority for political donations and/or political expenditure

This resolution is designed to deal with rules on political donations and expenditure contained in Part 14 of the Act (sections 362 to 379). Under section 366 of the Act, the Company is required to seek shareholders' authority for any political donations and/or political expenditure made by the Company.

Although the Company does not make, and does not intend to make, political donations to political parties, political organisations or independent election candidates, or to incur political expenditure, the legislation is very broadly drafted and may catch such activities as funding seminars or functions to which politicians are invited, or may extend to bodies concerned with policy review, law reform and representation of the business community that the Company and its subsidiaries might wish to support. Accordingly, the Directors have decided to seek shareholders' authority for political donations and political expenditure in case any of the Company's activities in its normal course of business are caught by the legislation.

The authority sought would be capped at £60,000 for the next year. This authority will cover the period from the date this resolution 13 is passed until the conclusion of the Annual General Meeting of the Company in 2026 or on 30 June 2026, whichever is the earlier. As permitted under the Act, resolution 13 also covers any political donations made, or any political expenditure incurred, by any subsidiaries of the Company. The Directors will continue to seek to renew their authority at each Annual General Meeting, in accordance with current best practice.

Resolution 14: Authority to allot shares

Your Directors may allot shares and grant rights to subscribe for, or convert any security into, shares only if authorised to do so by shareholders. The authorities granted at the Annual General Meeting on 30 May 2024 are due to expire at this year's Annual General Meeting. Accordingly, resolution 14 will be proposed as an ordinary resolution to grant new authorities to allot shares and grant rights to subscribe for, or convert any security into, shares. If given, these authorities will expire at the conclusion of the Annual General Meeting of the Company in 2026 or on 30 June 2026, whichever is the earlier.

This will allow Directors to allot Ordinary shares (a) up to a nominal amount of £30,997,392, representing approximately one-third (33.33%) of the Company's existing issued Ordinary share capital (excluding treasury shares) calculated as at 10 April 2025 (being the latest practicable date prior to publication of this document); and (b) in connection with a fully pre-emptive offer, up to an aggregate nominal amount of £62,004,083 (as reduced by allotments under paragraph (a) of the resolution), representing before any reduction approximately two-thirds (66.67%) of the Company's existing issued Ordinary share capital (excluding treasury shares) calculated as at 10 April 2025 (being the latest practicable date prior to publication of this document). This is in line with the Investment Association's Share Capital Management Guidelines issued in 2023.

The Directors have no present intention of exercising this authority. However, if they do exercise the authority, the Directors intend to take note of relevant corporate governance guidelines in the use of such powers. As at the date of this notice, the Company holds no treasury shares.

Resolution 15: Disapplication of pre-emption rights

Your Directors also request a power from shareholders to allot equity securities or sell treasury shares for cash and otherwise than to existing shareholders pro rata to their holdings. The power granted at the Annual General Meeting on 30 May 2024 is due to expire at this year's Annual General Meeting. Accordingly, resolution 15 will be proposed as a special resolution to grant such a power. Apart from offers or invitations in proportion to the respective number of shares held, the power will be limited to the allotment of equity securities and sales of treasury shares for cash (i) up to an aggregate nominal value of £9,300,148 (being 10% of the Company's issued Ordinary share capital (excluding treasury shares) at 10 April 2025, the latest practicable date prior to publication of this document) and (ii) up to a nominal amount of 20% of any allotment made under (i), for the purposes of any follow-on offer which the Directors determine to be of a kind contemplated by paragraph 3 of Part 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice (the 'Statement of Principles'). If given, the power will expire at the conclusion of the Annual General Meeting of the Company in 2026 or on 30 June 2026, whichever is the earlier.

Resolution 16: Further disapplication of pre-emption rights

Your Directors are seeking this year a further power from shareholders to allot equity securities or sell treasury shares for cash otherwise than to existing shareholders pro rata to their holdings. The power granted at the Annual General Meeting on 30 May 2024 is due to expire at this year's Annual General Meeting.

Accordingly, resolution 16 will be proposed as a special resolution to grant such a power. The power will be limited to (i) the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £9,300,147.50 (being 10% of the Company's issued Ordinary share capital (excluding treasury shares) at 10 April 2025, the latest practicable date prior to publication of this document) and (ii) up to an additional 20% of any allotment made under (i), for the purposes of any follow-on offer which the Directors determine to be of a kind contemplated by paragraph 3 of Part 2B of the Statement of Principles. This is in addition to the 10% referred to in resolution 15. If given, this power will expire at the conclusion of the Annual General Meeting of the Company in 2026 or on 30 June 2026, whichever is the earlier.

Your Directors will have due regard to the Statement of Principles in relation to any exercise of this power and in particular they confirm that they intend to use this power only in connection with a transaction which they have determined to be an acquisition or a specified capital investment (of a kind contemplated by the Statement of Principles) which is announced contemporaneously with the announcement of the issue, or which has taken place in the preceding 12-month period and is disclosed in the announcement of the issue.

Resolution 17: Authority to purchase own shares

This resolution will give the Company authority to purchase its own shares in the market up to a limit of 10% of its issued Ordinary share capital (excluding treasury shares). This resolution 17 will be proposed as a special resolution. The maximum and minimum prices are stated in the Notice of Meeting that follows. Your Directors believe that it is advantageous for the Company to have this flexibility to make market purchases of its own shares. Your Directors will exercise this authority only if they are satisfied that a purchase would result in an increase in expected earnings per share and would be in the interests of shareholders generally.

In the event that shares are purchased, they would either be cancelled (and the number of shares in issue would be reduced accordingly) or, in accordance with the Act, be retained as treasury shares. The Company may consider holding repurchased shares pursuant to the authority conferred by this resolution as treasury shares. This would give the Company the ability to transfer treasury shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base.

In the financial year ended 31 December 2024, the Company purchased and cancelled 30,894,836 of its own Ordinary shares and purchased into treasury 25,000,000 of its own Ordinary shares. In the period from 1 January 2025 to 10 April 2025 (being the latest practicable date prior to the publication of this document), the Company did not purchase any of its own Ordinary shares.

As at 10 April 2025 (being the latest practicable date prior to publication of this document), the total number of options over shares that were outstanding under all of the Company's share option plans was 14,388,497, which if exercised would represent 0.77 per cent of the Company's issued Ordinary share capital at that date (excluding treasury shares). If the Company were to purchase its own shares to the fullest possible extent of its authority from shareholders (existing and being sought), this number of outstanding options could potentially represent 0.94 per cent of the issued Ordinary share capital of the Company (excluding treasury shares).

Resolution 18: Authority to call a general meeting on not less than 14 clear days' notice

This resolution would allow that a general meeting of the Company (other than an Annual General Meeting) may be called on not less than 14 clear days' notice. This resolution will be proposed as a special resolution.

The Directors confirm that the shorter notice period would not be used as a matter of routine for such meetings but only where the Directors consider that the flexibility is merited, taking into account the circumstances, including whether the business of the meeting is time sensitive and is thought to be to the advantage of shareholders as a whole. In order to be able to call a general meeting on short notice, the above resolution must be approved and the Company must make a means of electronic voting available to all shareholders for that meeting.

Recommendation

Your Directors believe that all the proposed resolutions are in the best interests of the Company and will promote the success of the Company for the benefit of its shareholders as a whole. Accordingly, your Directors unanimously recommend that you vote in favour of them as they intend to do in respect of their own beneficial holdings save in respect of those resolutions in which they are interested.

Poll voting

Each of the resolutions to be considered at the Annual General Meeting will be voted on by way of a poll. This ensures that shareholders, including those who are not able to attend the Annual General Meeting and who have appointed proxies, have their votes fully taken into account. Any Directors who have been appointed as proxies will cast those votes as directed by the person who appointed them. The results of the polls will be announced to the London Stock Exchange and published on the Company's website as soon as possible after the conclusion of the Annual General Meeting.

 Registered in England and Wales No. 07140891

NOTES:

The following notes explain your general rights as a shareholder and your right to vote on the resolutions proposed at the Meeting, or to appoint someone else to vote on your behalf.

1. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that in order to have the right to attend and vote at the Meeting (and for the purpose of the determination by the Company of the number of votes a person entitled to attend and vote may cast), shareholders must be registered in the Register of Members of the Company at close of trading on Thursday 22 May 2025 or, if this Meeting is adjourned, at the time which is 48 hours prior to the adjourned meeting. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting. The Directors and the Chairman, and any other person so authorised by the Directors, also reserve the right, as set out in article 66 of its Articles of Association, to take such action as they think fit for promoting the orderly conduct of business at the Meeting.
2. Shareholders, or their proxies, intending to attend the Meeting in person are requested, if possible, to arrive at the Meeting venue at least 20 minutes prior to the commencement of the Meeting at 2.00 p.m. (UK time) on Tuesday 27 May 2025 so that their shareholding may be checked against the Company's Register of Members and attendances recorded.
3. Shareholders are entitled to appoint another person as a proxy to exercise all or part of their rights to vote on their behalf with respect to the resolutions proposed at the Meeting. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different Ordinary share or Ordinary shares held by that shareholder. A proxy need not be a shareholder of the Company.
4. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting. The completion of a proxy does not normally preclude a member from attending a meeting of the Company's shareholders.
6. You can vote either:
 - by logging on to www.signalshares.com and following the instructions;
 - you may request a hard copy form of proxy directly from the registrars, MUFG Corporate Markets (previously known as Link Group), on +44 (0)371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9.00 a.m. and 5.30 p.m., Monday to Friday (excluding public holidays in England and Wales). Alternatively you can email MUFG Corporate Markets at shareholderenquiries@cm.mpms.mufg.com;
 - if you are an institutional investor, you may also be able to appoint a proxy electronically via the Proximity platform in accordance with the procedures set out below. In the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.
7. In order for a proxy appointment to be valid a form of proxy must be completed. In each case the form of proxy must be received by MUFG Corporate Markets (previously known as Link Group) at PXS1, Central Square, 29 Wellington Street, Leeds, LS1 4DL no later than 2.00 p.m. on Thursday 22 May 2025.
8. If you return more than one proxy appointment, either by paper or electronic communication, the appointment received last by the Registrar before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
9. If you are an institutional investor, you may also be able to appoint a proxy electronically via the Proximity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proximity, please go to www.proximity.io. Your proxy must be lodged by 2.00 p.m. Thursday 22 May 2025 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully as you will be bound by them, and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proximity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting (and any adjournment of the Meeting) by using the procedures described in the CREST Manual (available from www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
11. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual.
12. The message must be transmitted so as to be received by the issuer's agent (ID RA10) no later than 2.00 p.m. (UK time), Thursday 22 May 2025. For this purpose, the time of receipt will be taken to mean the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

13. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
14. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that no more than one corporate representative exercises powers in relation to the same shares.
15. As at 10 April 2025 (being the latest practicable business day prior to the publication of this Notice), the Company's Ordinary issued share capital consists of 1,885,029,503 Ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 10 April 2025 are 1,885,029,503. As at 10 April 2025 (being the latest practicable business day prior to the publication of this Notice), the Company held 25,000,000 Ordinary shares in treasury.
16. Under section 527 of the Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to:
 - i. the audit of the Company's financial statements (including the Auditor's Report and the conduct of the audit) that are to be laid before the Meeting; or
 - ii. any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual financial statements and reports were laid in accordance with section 437 of the Act (in each case) that the shareholders propose to raise at the relevant meeting. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Meeting for the relevant financial year includes any statement that the Company has been required under section 527 of the Act to publish on a website.
17. Any shareholder attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered. Any person to whom this Notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a 'Nominated Person') may have a right, under an agreement between him/her and the member by whom he/she was nominated, to be appointed (or to have someone else appointed) as a proxy for the Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may have a right, under such an agreement, to give instructions to the member as to the exercise of voting rights. The statement of the above rights of the members in relation to the appointment of proxies does not apply to Nominated Persons. Those rights can only be exercised by members of the Company.
18. Copies of Executive Directors' service agreements and copies of the terms and conditions of appointment of Non-Executive Directors are available for inspection at the Company's registered office during normal business hours from the date of this Notice until the close of the Meeting (Saturdays, Sundays and public holidays excepted) and will be available for inspection at the place of the Meeting for at least 15 minutes prior to and during the Meeting.
19. You may not use any electronic address (within the meaning of section 333(4) of the Act) provided in either this Notice or any related documents to communicate with the Company for any purposes other than those expressly stated.

A copy of this Notice, and other information required by section 311A of the Act, can be found on the Company's website at www.enquest.com.
